Voluntary National Content Standards in Economics National Council on Economic Education, Foundation for Teaching Economics, 1997 This essential guide for curriculum developers administrators teachers and education and economics professors the standards were developed to provide a framework and benchmarks for the teaching of economics to our nation s children Democracy and Philanthropy Eric John Abrahamson, 2013-10 **The European Union** Kristin Archick, 2019-09-15 The European Union EU is a political and economic partnership that represents a unique form of cooperation among sovereign countries The EU is the latest stage in a process of integration begun after World War II initially by six Western European countries to foster interdependence and make another war in Europe unthinkable The EU currently consists of 28 member states including most of the countries of Central and Eastern Europe and has helped to promote peace stability and economic prosperity throughout the European continent The EU has been built through a series of binding treaties Over the years EU member states have sought to harmonize laws and adopt common policies on an increasing number of economic social and political issues EU member states share a customs union a single market in which capital goods services and people move freely a common trade policy and a common agricultural policy Nineteen EU member states use a common currency the euro and 22 member states participate in the Schengen area of free movement in which internal border controls have been eliminated In addition the EU has been developing a Common Foreign and Security Policy CFSP which includes a Common Security and Defense Policy CSDP and pursuing cooperation in the area of Justice and Home Affairs JHA to forge common internal security measures Member states work together through several EU institutions to set policy and to promote their collective interests In recent years however the EU has faced a number of internal and external crises Most notably in a June 2016 public referendum voters in the United Kingdom UK backed leaving the EU The pending British exit from the EU dubbed Brexit comes amid multiple other challenges including the rise of populist and to some extent anti EU political parties concerns about democratic backsliding in some member states including Poland and Hungary ongoing pressures related to migration a heightened terrorism threat and a resurgent Russia The United States has supported the European integration project since its inception in the 1950s as a means to prevent another catastrophic conflict on the European continent and foster democratic allies and strong trading partners Today the United States and the EU have a dynamic political partnership and share a huge trade and investment relationship Despite periodic tensions in U S EU relations over the years U S and EU policymakers alike have viewed the partnership as serving both sides overall strategic and economic interests EU leaders are anxious about the Trump Administration s commitment to the EU project the transatlantic partnership and an open international trading system especially amid the Administration s imposition of tariffs on EU steel and aluminum products since 2018 and the prospects of future auto tariffs In July 2018 President Trump reportedly called the EU a foe on trade but the Administration subsequently sought to de escalate U S EU tensions and

signaled its intention to launch new U S EU trade negotiations Concerns also linger in Brussels about the implications of the Trump Administration s America First foreign policy and its positions on a range of international issues including Russia Iran the Israeli Palestinian conflict climate change and the role of multilateral institutions This report serves as a primer on the EU Despite the UK s vote to leave the EU the UK remains a full member of the bloc until it officially exits the EU which is scheduled to occur by October 31 2019 but may be further delayed As such this report largely addresses the EU and its institutions as they currently exist It also briefly describes U S EU political and economic relations that may be of interest
